Past Performance

This chart shows the funds performance as the percentage loss or gain per year over the last 10 years.

Inception date: 2000-01-31.

Performance data has been calculated in GBP.

Past performance is not a reliable indicator of future performance. Markets could develop very differently in the future. It can help you to assess how the fund has been managed in the past.

Performance is shown after deduction of ongoing charges. Any entry and exit charges are excluded from the calculation.
