This report is issued to and intended for professional or sophisticated investors, financial advisors and fund platforms. If you are in any doubt about whether the fund is suitable for you, please contact a financial advisor.

Performance figures have been calculated by CG Asset Management Ltd based on information provided by Morningstar and Northern Trust International Fund Administration Services (Ireland) Ltd. CG Asset management is authorised and regulated by the Financial Conduct Authority.

Fund performance is shown after deduction of all fees and management charges, and on the basis of income being reinvested. Past performance is not a guide to future performance. The value of the shares and the income from them can go down as well as up and you may not get back the full amount originally invested. The value of overseas investments will be influenced by the rate of exchange. Although CG Asset Management considers the information included in this document to be reliable, no warranty is given to its accuracy or completeness.
